PROJECT

Project

Compare the differences in transportation for schooling for children living in urban and rural areas.

Instructions

1. Interview a few students who live in urban and rural about how they go to school.
2. Or surf the Internet for relevant information.
3. Make a chart and explain it to the class.

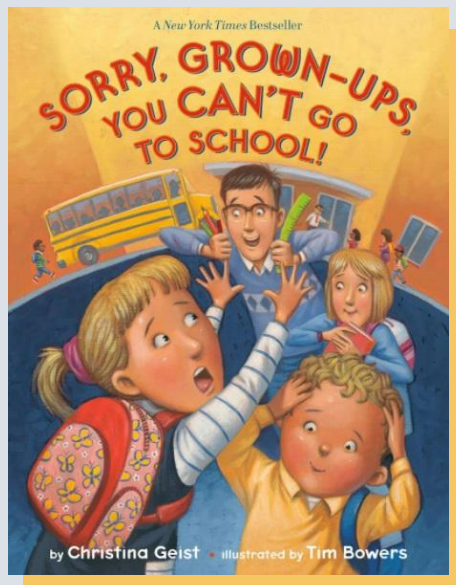

You can talk about ...

1. Where do you live?
2. How do you go to school?
3. How long does it take for you to go to school?
4. Would you like to make any changes to how you go to school? Why or why not?
